**CAMP's mission is to strengthen and inspire individuals with special needs
– and those who care for them – through Recreation, Respite, and Education.**

Children's Association for Maximum Potential Summer Camp at Camp CAMP

Each summer, Camp CAMP hosts 9 Summer Camp sessions. The Summer Camp sessions are 6-days, 5-nights for children and/or adults with special needs, aged 5 to 50 years, and their siblings. Each of the 9 sessions has varied age requirements and diagnosis guidelines.

The Summer Camp application becomes available at www.campcamp.org in February 2018. The Summer Camp sessions are held at Camp CAMP in Center Point, Texas. Camp CAMP includes activities like canoeing on the Guadalupe River, horseback, swimming at the Aquatic Center, music, sports & recreation, arts & crafts, outdoor cooking, and more. The staff modifies traditional summer camp activities to give everyone a chance to participate. Each CAMPer is assigned to a cabin tribe based on gender and age. All staff and volunteer counselors must attend a thorough training each year.

The cabins at Camp CAMP are large, climate controlled, and wheelchair accessible. Meals can be modified to accommodate special dietary needs. Limited spaces are available for CAMPers who need 24 hour medical care, dependent on the session. All CAMPers' medical needs are overseen by professional Health Care Volunteers.

The full fee for a week at CAMP is \$1500.00. If a CAMPer has a program that provides funding for respite services, the family should contact their case manager regarding a payment authorization after registering for a session. For CAMPers who do not use waiver or other agency funding, CAMP also offers a "Scholarship Tier," which is a sliding scale payment option based on the family's income.

Session spaces are filled on a first-come, first-served basis. Please note: no space can be allotted until the full application is completed online and corresponding paperwork is received. Submitting a partial application (i.e. a payment or Payment authorization without the corresponding, required documentation) will not "hold" a space.

For more information, please visit our website, www.campcamp.org, or call our main office at (210) 671-5411. We hope to see you there!
